EXERCISE SUMMARY (2 Paragraphs Max.):

SAREX for Group 2/5 personnel focused on: 1) Adding mission management capabilities that are lacking in Northern CA. (highly skilled mentors will be utilized NOT to run the mission but to coach base staff who will learn by managing the mission themselves). and 2) improving skills and proficiency of search crews to increase efficiency, effectiveness and safety to maximize learning. All flight crews will be made up of a MPS and 2 trainees.

Training (Primary Training Objective - 1-Para Narrative):

PRIMARY: Mission management training an exercise (MMU, Base Staff, ICS, Communications, Safety Measures, lost A/C procedures, accident notification procedures, etc..)
SECONDARY: Air and ground-based search team training and exercise (ELT and visual searches, air-ground coordination, etc..)

Prerequisites:

Planes must have completed crews before registering. Trainees must have 101T cards reflected in WMU.
